The payment of an invoice will not later prevent Us from disputing the invoiced amounts pursuant to any rights herein. We may recoup any amounts due to Us from You by withholding such amounts from any fees otherwise due in the future and providing notice thereof.

4.3 If any Digital Music Service deducts any amount due to any passed contingency, overpayment or conclusion in relation to Your Content or an investigation by Us reasonably demonstrates that any of Your fees for any prior month should have been lesser, We may, at the conclusion of such investigation and at our sole discretion, provide a revised sales report for the applicable month(s) and deduct the corresponding amount from future payments, what You acknowledge and accept.

4.4 Therefore, You expressly and irrevocably authorize Us to collect all incomes from the exploitation of Your Content through the Platform, including but not limited to author rights, performing and recording rights, any levy established by law for private copies, or for any other concept, without limitation. 4.7 We may decide not to charge you initially for the use of the Service and any optional service, however, You authorize Us to deduct the corresponding amounts from your future payments.

In the event that after one year from the start of the relationship, You have distributed Your Content on credit, without having generated enough sales to pay back the outstanding balance, We reserve the right to request the payment of the outstanding balance.

4.8 Audits: We will maintain accurate and complete records of account including all documentation needed by You to compute and verify the fees payable to You in connection with the performance of our agreement. Prior to requesting the termination, You must remove the Content from the DMSs using the "Takedown" functionality that is available to you within the Platform. Moreover, in the event of termination, You authorize Us suspend your account, block your access to your account and delete all the files and information uploaded by You to the Platform. in the event You breach any term or condition established by Us (here or in any other document accepted by You) and You fail to remedy such breach within two (2) days of the date of notice from Us; in case the outstanding balance is not paid as per Section 4.7, We will have the right to terminate the relationship and cease the Service.

In case you commit any unlawful activity using the Platform or the Service.

5.3 In all cases, all costs due for any Service provided by Us until the termination date, must be duly paid by You.

5.4 We will not be liable to You for damages of any kind because of the termination of our relationship in accordance with these Terms of Use. Our respective rights and obligations contained in sections that by their nature are intended to survive, will survive the termination of this relationship.
